# THE CARING-FOR-ANIMALS CLUB

## ACTIVITY 1

Have you ever seen someone do terrible things to animals? Tell your group about what you saw and how it made you feel. Share your stories with the class.

Can you think of reasons why people would hurt animals? Share your ideas with the class.

**BUT, there is always good news too.**

Can you think of a story of someone who saved an animal that inspired you? Maybe someone adopted a puppy or took in a stray?

Please share your story with the rest of the class. In groups, create a slogan on a sheet of paper which can be used in a peaceful demonstration at school or in a safe spot outside the school. Research ways of helping animals. Your teacher will explain.

## ACTIVITY 2.1

Every group that organises activities should have a big dream, or vision. Your teacher will explain the Ladder and Apple Concept. You will learn what a vision and mission statement is.

<b>Vision</b>	An idea for the future, planned through imagination
<b>Mission</b>	Steps taken towards achieving your vision. For example: <ul style="list-style-type: none"><li>• Explain why the club exists?</li><li>• Who the customers are/will be?</li><li>• Task of every member?</li><li>• Mention the services you will provide.</li></ul>

## ACTIVITY 3.1

- The teacher will ask you to create publicity for your club. You can join the Arts group (painting posters), the Drama group (creating a flash mob, or a short drama) or if you are more Tech-inclined, you can help with the preparation of the PowerPoint and the opening speech.
- Quickly plan your publicity posters, flash mob/drama and PowerPoint in your workbook before you start working in your groups.
- Practise often and ask for help if you need it.
- Gather some ideas and illustrations for the invitation. Your teacher will instruct you to create the invitation to the event in your Arts and Culture class.
